Below is the list of items that will be for sale during the Virtual Warehouse Sale: BHLDN on Thursday, Oct 15 on Facebook Live!

All items are from BHLDN, are sample dresses (never worn in a wedding) and available at extra discounts. All items are $600 and under and include sizes 0-14. Dresses are listed by size.

All items were hand selected from our inventory. Only dresses in good condition were selected. But keep in mind, since they are floor samples, minor flaws and imperfections are to be expected from normal wear in the stores.

The list includes the designer, style name, size, retail price and the virtual sale price. Also noted are multiple dresses of that same dress available in that same size.

Tips on Sizing: Each designer has a unique size chart. Take your measurements (bust, waist and hips), find the designer size chart on the BHLDN website - and compare it to your measurements. We will not be giving out the measurements for each dress, but will provide the sizes.

Size Guide: The BHLDN website has a Size Guide for each dress. Find the dress you're interested in or a different dress by that same designer. Under "Fit Information" click on "Size Guide" to pull up the designer's size chart.
